Re: Notice of *Ex Parte* Presentation
Wireline and Cable Modem
Broadband Internet Access Proceedings
CC Docket Nos. 02-33, 95-20, 98-10
and CS Docket No. 02-52

Dear Ms. Dortch:

Pursuant to Section 1.1206(b) of the Commission's Rules, the Federal Bureau of Investigation (the "FBI") hereby submits a notice of an *ex parte* meeting on July 22, 2003 in the above-referenced proceedings.

The law enforcement representatives at the meeting were John Pignataro, Deputy Superintendent of the Maryland State Police, Joel M. Margolis, a contract attorney for the FBI's Electronic Surveillance Technology Section ("ESTS"), Dawn Dohrmann, another ESTS contractor, and the undersigned ESTS Unit Chief. The Commission official in attendance was Daniel Gonzalez, Senior Legal Advisor to Commissioner Kevin J. Martin. The FBI stated that Internet access providers should be deemed telecommunications carriers for purposes of the Communications Assistance for Law Enforcement Act. In support, the FBI summarized the arguments already placed on the record in its July 11, 2003 Notice of *Ex Parte* Presentation in the instant proceedings.

Any questions concerning the above matter should be directed to the undersigned.

Respectfully submitted,

/s/ Leslie M. Szwajkowski
